The proprietors of the Eckford Line would particularly call the attention of the Merchants of Wisconsin, Illinois and other Western and South-western States to the superior facilities of their line for transportation to and from the ports on the Upper Lakes. The above line of Steamboats runs direct to our Dock at Buffalo, and all goods contracted by this line for the Upper Lakes will be shipped (unless otherwise ordered or contracted) by Steamboats, (not Propellers) with but one, or possibly two exceptions. The Eckford is the only Line not interested in, or committed to, a Propeller Upper Lake Line; and in endeavoring to sustain a line of Steamboats on that route, the Proprietors hope to receive the support and patronage of the Merchants of the Western States, when interest demands the continuance of a line of such a class of Boats. Boats leave New York and Buffalo daily.

Refer to L. J. Higby, Thomas P. Williams, and Kellogg, Strong & Co., Milwaukee.

THE undersigned would respectfully solicit the attention of dealers in and consumers of Coal in Milwaukee to our Card, as above. The Bolivar Coal is unquestionably superior to any other mined in Ohio, for Grate, Blacksmithing, Machinery, or Domestic purposes; and for Steam purposes, is superior to any except Brier Hill. It is peculiarly well adapted to shipping, as its extreme hardness renders it capable of bearing any amount of handling, without waste. It can be afforded considerably cheaper than Brier Hill, and for most purposes is better.

It is our wish to introduce the article, and we respectfully solicit orders, confident that a trial is only necessary to convince any of the truth of the above assertion.

Citizens of Milwaukee and vicinity, to be convinced of the truth of my assertion, and have their Horses properly attended to, so as not be maimed, interfere, &c., had better call and examine for themselves, for they will have their work done as I say, and at $1 per set for Plain Shoes; Extra Shoes $1.25; Bar shoes $1.50 per pair; Sandals $3.00 per pair; and all other work to suit the times. The Premium is paid in Cash annually, or may, if desired, be paid semi-annually, or quarterly, by adding interest to the deferred payments. THE subscribers, thankful for past favors, beg leave to announce that they have recently added the FOUNDRY business to their former occupation of Mill Stone manufacturing, and are now prepared to supply the public with articles in either branch, on terms that will defy competition.

In offering our Stoves to the community, we do so with the full assurance that we can supply better articles than can be purchased at any other place, being entirely new patterns, manufactured with care and from the very best materials. The following list of patterns is offered with the confidence that they will give satisfaction in every particular, viz:

THE ECONOMIST

DOUBLE OVEN COOKING STOVE,

(Which received the First Premium at the State Fair, lately held at Janesville,)

Possesses great advantages over every other stove, for plain flues and direct application of heat, being so arranged that one or both ovens can be used at pleasure. It will cook in half the time of any other stove now in use, and with half the fuel, not consuming over four cords of wood in one year.

The TRIUMPH, single oven, takes in long wood, is an excellent stove—one that has been well tested, and given general satisfaction.

The PREMIUM is different in its construction from any other made. In the arrangement of the fire bank—acknowledged to be a great improvement.

The JUNO PARLOR is adapted to either wood or coal, being decidedly the neatest arrangement ever offered to the public, having all the conveniences of the stove combined with the beauties of the open grate. It is beautifully ornamental, highly finished, and perfect in every respect—the entire front above and below the grate being opened or closed with three doors, and so arranged that when open they are completely out of sight. It is equally adapted to offices as well as parlors.

The RADIATOR is the best coal stove ever got up as a retainer of heat.

Persons purchasing their stoves of us, in the event of any of the plates getting broke, can at all times be supplied with extra ones, thus superceding the necessity of throwing away stoves, which many are daily compelled to do in buying Eastern ware.

Those who are in want of an articles in our line, will find it to their advantage to give us a call, before purchasing elsewhere, as we are confident that we can give satisfaction in all cases. City references given, where our stoves can be seen in operation. Stoves delivered and set up in any part of the city, free of charge. All orders promptly attended to.

"England may rely upon GEN. PIERCE for effectual co-operation."—*Manchester* (England) *Examiner.*

"*The primary question for the United States in the election, as it is for ourselves in the electoral contests of this week, is the national sanction, and inviolable establishment of Free Trade. The triumph of the candidate of the Democratic party, brought forward by the men of the South, will secure, probably for ever, the ascendency of liberal commercial principles. In this respect, and on this point, we take Gen. Pierce to be a fair representative of the opinions of Mr. Calhoun, and, as such, a valuable practical ally to the commercial policy of the country. Gen. Pierce has our best wishes for his success.*"—London (England) *Times, July 6, 1852.*

"*When the Celt has crossed the Atlantic, he begins for the first time in his life to consume the manufactures of this country (England) and indirectly to contribute to its customs. We may possibly live to see the day when the chief produce of Ireland will be cattle, and English and Scotch the majority of her population. The nine or ten millions of Irish, who by that time will have settled in the United States, cannot be less friendly to England, and will certainly be much better customers to her than they now are.*"—*London Times.*

Resolved, That the Convention does not confer on the General Government any power to commence and carry on a general system of Internal Improvements.—*Baltimore Democratic Platform.*

"Look at that list! On one side, in favor of the measure, you will see all the Northern votes, with the exception of a few ever-faithful and never-too-much-to-be honored Northern Democrats. Among these last, our eye rests *with inexpressible pleasure* upon the name of Harry Hibbard, of New Hampshire, and the friend of Franklin Pierce, and, we believe, the Representative of his District. A little lower down is that of Peaslee, another Granite State Democrat. With Hibbard, Peaslee and Jackson, stand nearly every Democratic member of Congress from the South."—*Savannah Georgian* on the River and Harbor Bill.

"This bill is the first of the sort that has been passed for a long time, and *it will be the last for four years at least.* Franklin Pierce will come into power on the 4th of next March. A strict construction and respect for the constitution is the Median law of the Democratic party; and Mr. Pierce, besides that general reason, *is bound by every idea of consistency, and by every fact of his past career, to veto every bill like this.* He will do it, if they are presented to him, JUST SO SURELY AS THERE IS A SUN IN THE SKY."—*Richmond Examiner,* River and Harbor Bill.

Friends of Equal Rights, Read this!

The New Hampshire Test.—"*The failure of that Convention is* DIRECTLY TRACED TO THOSE HUNKER LEADERS, PIERCE, ATHERTON & Co., *who were determined that it should either be entirely subservient to their party views, or be what it was, an abortion. They succeeded, and to them belongs the honor.*"—Concord *Democrat, June 12th, 1851.*

THE POSITION OF PARTIES,

In German, nearly the same as the last, addressed to German Adopted Citizens. Price, $1,25 per 100; 18¾c per dozen.

THE "NATIVE AMERICAN" HOBBY.

We learn from yesterday's Morning *News* that at the "Pierce and King" meeting in the Third Ward on Thursday evening last, Mr. E. McGarry "came out in a telling speech, contrasting the liberal sentiments and noble spirit of Frank Pierce "with the illiberal Native-Americanism of Gen. "Scott." A letter received yesterday from the Western part of the State, mentions the fact that the "Pierce and King" leaders "are circulating "among the Germans and other foreigners the "story that Gen. Scott is *opposed* to any of them "voting, or becoming citizens under 21 years residence and some as high as 25 years! I can assure you these are facts."

The Pierce papers throughout the State furnish additional evidence, were any needed, that this charge of "Native Americanism" against Gen. Scott constitutes the chief stock in trade of the Hunker leaders. It is about all they have to urge against Gen. Scott, and they rely upon this appeal to prejudice, to close the ears of our foreign born population against all arguments which may be addressed to their reason and patriotism.

We invite our readers of foreign birth, Irishmen, Germans and all, to look at this question for a few moments, fairly and dispassionately, and see whether there is enough, in this single objection to Gen. Scott, to induce them to withhold their votes from the support of a party whose measures they approve, and whose candidate they *know.* Let us admit, for argument's sake, that Gen. Scott *does* entertain the sentiments imputed to him by the Pierce press. Grant, if you please, that he thinks no person of foreign birth should be allowed to vote in this country until he has resided here 21 years. What then? Will that abstract opinion of his affect the existing rights and privileges *of* Adopted Citizens? Not a whit.—Will it alter the terms upon which foreigners landing in this country can hereafter acquire the rights of citizenship? In no single particular.—Will it then, militate in *any* way against the privileges and immunities now secured by the laws of the land to emigrants from the Old World, who seek new homes and fortunes in the United States? *Not in the slightest degree.* If Winfield Scott were the bitterest "Native American" in the land he could not, even as President of the United States, abridge *by so much as a hair,* the rights, present or prospective, of our Adopted Citizens. These are not derived from the breath of the Executive. They are the free gift of the American People, and can no more be recalled, or cancelled than can this Republic be converted into a Russian Despotism.

The charge, then, in relation to Scott's "Native Americanism," is a *mere* appeal to prejudice. It touches no *practical* issue involved in the contest. No party and no candidate before the country advocates any restriction of the rights now enjoyed by persons of foreign birth, or proposes to exclude them from the privileges and immunities of American citizenship. Nor would success be possible for any party, or any candidate, who did uphold any such illiberal doctrines. But what is more the charge itself, so far as it relates to Gen. Scott, is *utterly and unqualifiedly false.* Whatever sentiments he may have entertained years ago on this question, the following letter shows clearly enough where he stands now:

Washington, March 19th, 1848.

Dear Sir:—In reply to your kind letter of the 8th inst., I take pleasure in saying that, grateful for the partial estimate you place on my public services, you do me no more than justice in assuming that I entertain *kind and liberal views towards our naturalized citizens.*—CERTAINLY IT WOULD BE IMPOSSIBLE FOR ME TO RECOMMEND OR SUPPORT ANY MEASURE, INTENDED TO EXCLUDE THEM FROM A FULL AND JUST PARTICIPATION OF ALL CIVIL AND POLITICAL RIGHTS NOW SECURED TO THEM BY OUR REPUBLICAN LAWS AND INSTITUTIONS.

It is true that in a season of unusual excitement, some years ago, when both parties complained of fraudulent practices in the naturalization of foreigners, and when there seemed to be danger that native and adopted citizens would be permanently arrayed against each other in hostile factions, I was inclined to concur in the opinion, then avowed by many leading statesmen, that some modification of the naturalization laws might be necessary, in order to prevent abuses, allay strife, and restore harmony between the different classes of our people. But later experience and reflection have entirely removed this impression and dissipated my apprehensions.

In my recent campaign in Mexico, a very large proportion of men under my command were your countrymen, Irish, Germans, &c.—I witnessed with admiration their zeal, and fidelity, and valor in maintaining our flag in the face of every danger. Vying with each other and our native soldiers in the same ranks, in patriotism, constancy and heroic daring, I was happy to call them brothers in the field, as I shall always be to salute them as countrymen at home.

I remain, dear sir, with great esteem, yours truly.
WINFIELD SCOTT.

This letter of Winfield Scott's was written over four years ago. It is frank and explicit in its language. It is a manly retraction of an erroneous sentiment and a distinct, unqualified promise —a gallant old soldier's pledge—to support no measure intended to exclude Adopted Citizens from any of the political, or civil rights now secured to them by our laws and institutions. Those therefore who, in the face of this letter, charge Gen. Scott with a design, or desire to impair any of the rights now guaranteed to persons of foreign birth by the laws of the land, are guilty of wilful falsehood and gross deception. It is a mere trick of paltry demagogues—the "last card" of desperate politicians—a palpable attempt to obtain the votes of our Adopted Citizens under *false pretences.* Can they be duped or driven into the support of the British Free-Trade candidate by any such "weak inventions"? We do not believe it. They know Winfield Scott, and what he has done for his country. They are all, *to a man almost,* in favor of the two great measures which the Whig Party advocates, Protection to Home Industry and Government aid for Internal Improvements. They see clearly enough that Franklin Pierce and his chief backers are *opposed* to these measures, while Gen. Scott upholds them. And last, but not least, they understand clearly enough, that the very men who make this charge of "Native Americanism" against Gen. Scott, *are themselves in league with the few surviving relics of the "Native" party!*

We need but point to Pennsylvania in proof of this fact. Lewis C. Levin and Peter Sken Smith, the two acknowledged leaders of the "Native American" party, are both against Scott, and the latter out for Pierce. What is more, the "Pierce and King" ticket in the Keystone State is headed with the name of George W. Woodward, who, in the Convention which framed the Constitution of the State, offered the following:

> "Mr. Woodward moved to amend the amendment, by adding thereto the words 'and that the said Committee be also instructed to inquire into the propriety of so amending the Constitution as to PREVENT any foreigners who may arrive in this State after the 4th day of July, 184–, FROM ACQUIRING THE RIGHT TO VOTE OR TO HOLD OFFICE IN THIS COMMONWEALTH!'"

And these are the men who charge Winfield Scott with "Nativeism," and strive to excite the prejudices of our Adopted Citizens against him, as the easiest mode of inducing them to vote for Pierce! Is not the trick too transparent to win a single vote?

"Politics on the Bench."—The Madison *Democrat* thus urges party considerations in support of its political nominees for the Supreme Court:

> We have already shown that *party considerations* have a great deal to do with the administration and interpretation of our laws—*that democracy is not safe in vested rights when federal judges rule the bench.* Our reasons are unobjectionable and unanswerable. Then, is it not the duty of every democrat, who cherishes that great system of American principles that has made our country great and prosperous, to sustain the democratic nominees? *There is no excuse for him that will not.*

If it be the duty of the Supreme Court to interpret "Platforms" instead of Laws, and administer Politics rather than Justice, the "reasons" of the *Democrat* may seem strong enough to thorough-going party men. But they will hardly persuade the mass of the electors in this State that these are the functions of the Supreme Court, or that Politics are desirable on the Bench.

WHIG MEETINGS TO-NIGHT!

The Whig electors of our City are called together in their several Wards *to-night,* to elect Delegates to the Whig Congressional Convention, which meets at Waterford on Wednesday next. It is highly desirable that these meetings should be well attended, and that good men should be chosen to represent the Whig sentiment of the City. Two candidates for Congress are already in the field in this District; the one representing the Free-Soil, and the other the "Pierce and King" democracy. We fully believe that, as between the several candidates now before the People, a majority of the electors of this District are in favor of Winfield Scott. An *undoubted* majority are in favor of River and Harbor Improvements and Protection to Home Industry. The Whig Party is the *only* party which advocates these measures. Let those who are in favor of them, therefore, resolve to vote for no man who is not *pledged* to their support. Let the Whig Congressional Convention at Waterford give us a worthy standard-bearer, and let every true Whig in the District stand by him in the coming contest.

The meetings to-night are called at 7 o'clock, at the places specified in the Committee's notice. After the adjournment of the Ward caucuses, there will be a general rally at the "Head Quarters," on Wisconsin street.

NORWEGIAN LIFE OF GEN. SCOTT.

Ten thousand copies of the life of Gen. Scott are being printed in this city in the *Norsk,* or or Norwegian language. They will be ready for circulation in about a week. All orders addressed to C. S. Chase Esq., will receive prompt attention. Whigs, circulate the documents, election is close at hand.

We copy the above notice from the Racine *Commercial Advertiser,* and commend it to the prompt attention of Scott men all over the State. There are some thousands of Norwegians in this State who need but be informed who and what Gen. Scott is, to give him their hearty support.—We embrace the opportunity to say that we shall publish next week three thousand copies of Greeley's "Why I am a Whig," in the Norwegian language, which we urge our Whig friends to circulate without delay in every Norwegian settlement.

River and Harbor Improvements.

Mr. Venable on the Stand.—Mr. Venable, a member of Congress, from the State of North Carolina, and who is one of the candidates for U. S. Senator, in place of Mangum—a delegate in the Baltimore Convention, who threw up his hat with joy when Pierce was nominated, a true representative of pure Southern disunion Locofocoism—recently made a speech in Richmond, Virginia, in which he told his hearers, that "if Pierce should be elected, there would be no fear of any bills being passed granting appropriations to aid in rendering rivers and harbors navigable, FOR HE WOULD VETO THEM *just as Polk did,* and *Van Buren did* and *Tyler did.*

Do the forwarders—the merchants—the sailors, the lumbermen—the shippers—the dwellers on the three thousand miles of Lake coast—hear that?—*Detroit Advertiser.*

Ay, ay, sir, they hear and are getting ready their answer! You may listen for it towards the close of the 2d day of November next. It will come in thunder-tones and leave none in doubt as to its purport. If Mr. Pierce gets an opportunity to "veto River and Harbor Bills," as his champions predict, it will not be the fault of the West. They propose to VETO HIM FIRST, by way of precaution.

Collision on the Lake.

The Propellers *Troy* and *Illinois* came in collision off Waukegan, during Thursday night. The *Troy* was bound to Waukegan for a cargo, and the *Illinois* to Chicago, to discharge. The *Troy* was so much damaged, that she had to return here for repairs. She was hauled out on the ways yesterday, and will be all right again in a day or two. We cannot learn what injury the *Illinois* sustained. But as she kept on her course, it was not, probably, very serious. How the accident occurred, it is impossible to guess; tho' the *Troy* reports that the *Illinois* had *no lights up.*

☞ It will be remembered that the *Sentinel* attributed its authorship to E. G. Ryan, Esq., and indulged in a mean fling at that gentleman, by attributing to him a disreputable character *evidently designed for no particular individual,* but probably thrown in to complete the *tableau* and expose what the author of the "report" deemed the secret springs of action of the Club.—*Morning News.*

This authorized denial of the *News* confirms the opinion heretofore expressed by us that the "disreputable character" in question was the "reporter's" own creation and not designed for anybody else. If Mr. Ryan was not the author, the "fling" don't touch him. If he was, he cannot complain at being "hoist with his own petard."

☞ The apathy existing among the democracy of New York, in reference to the approaching election, *is as unprecedented as it is inexcusable.*—Since the holding of the State Convention at Syracuse, scarcely a political meeting has been held anywhere in the State, excepting in the city of New York.—*Buff. Courier.*

This is a frank admission. The "democracy" of New York have "no stomach for the fight."—They don't like the entertainment to which the Pierce leaders invite them. New York is beyond all question for Home Industry and Harbor Improvements. How could it be expected to vote for a candidate *who is pledged against both?*

Our old acquaintance, Job Haskell, turned up in the Washington County *Blade,* as the Chairman of the democratic Convention in Port Washington. County *Blade,* and author of a communication violently attacking the Tariff system. 'Tis but a few weeks since the Madison *Democrat,* in reply to an article in the N. Y. *Tribune,* rather questioned the existence of Job Haskell and peremptorily denied that he was a prominent democrat in Wisconsin. It will now discover that Job is not only "alive," but kicking.—*Mil. Sentinel.*

The N. Y. *Tribune* in the article mentioned, said Job Haskell *had come out for Scott!*

So the *Sentinel* has convicted the Madison *Democrat* of ignorance of Mr. Haskell's prominence, and has at the same time convicted the N. Y. *Tribune of a diabolical lie!*—*River Times.*

It is barely possible that the editor of the River *Times* believes what he states above. If so, we respectfully invite him to *produce* the article in which the N. Y. *Tribune* said that "Job Haskell had come out for Scott!" We affirm that the *Tribune* never said a word of the sort.

Whig Congressional Nomination.—We learned last night that the Whig Convention, which met at Waupun on Thursday last, nominated James McM. Shafter, of Sheboygan, as the Whig Candidate for Congress in the Third District. This is a strong, popular, and unexceptionable nomination, and if the Whigs of the District go to work *with a will,* we entertain a strong conviction that it will be successful.

Confusion of Metaphors.—The Buffalo *Courier* publishes the following startling item:—

> Bennett's N. Y. Herald says the whigs have positively carried Vermont, and hoped that they will "have at least one clear day, and one chance for carrying a state *before the eternal flood of November comes upon them in a furious avalanche.*"

If the Whigs are not to be beaten till an "*eternal flood*" comes upon them in the shape of "a *furious avalanche,*" we think they stand a *reasonable* chance of success in November!

The Independent Judicial Ticket.—We invite the attention of *all* our readers to an article copied in this morning's *Sentinel* from the Racine *Advocate,* a democratic paper. It sets forth clearly and dispassionately, the claims and qualifications of the Independent Candidates for the Supreme Court. No man who knows these gentlemen can gainsay ought that the *Advocate* urges in their favor, and their election to the Supreme Bench will reflect infinite credit upon the People of Wisconsin.

Congressional Nominations.—The "Free Democracy" in the Third District of this State, have nominated the Rev. Hiram McKee. as their candidate for Congress. The *Free Democrat* announces that Mr. McKee intends to "take the stump." The Hunkers, or "Pierce and King Democracy," in the same District, have nominated John B. Macy, of Fond du Lac.

Death of Geo. H. Derby.—George H. Derby' book publisher, died at his residence in Buffalo, of dysentery on Wednesday last.

The Independent Candidates for the Judiciary.

Mr. Whiton having passed through a preparatory course of seven years study to fit him for the profession of Law, was admitted as an attorney in the Supreme Court of Massachusetts. In 1837, he removed to Wisconsin and settled in Rock county. The following year he was elected a member of the Legislative Assembly for two years, and took his seat in December, 1837. This session, which was the first one held after Iowa was separated from Wisconsin, continued for 110 days, and was a very important one.—Mr. Whiton at once took a stand among the first men in the State. He was appointed one of the Commissioners to revise the laws, and as such Commissioner, in preparing acts by himself, in revising the labors of the other Commissioners, and in having the acts properly passed through the Legislature, labored with heroic zeal, and performed an inestimable work for the State.

In the session commencing December, 1839, he was elected Speaker of the Assembly, and gave universal satisfaction as such presiding officer. In 1840 he was again elected to the Legislative Assembly for four years. In 1847 he was chosen as a member of the Convention to form a State Constitution. Thus, for more than eight years, he has served the State in a Legislative capacity, and every man acquainted with our public affairs, will bear testimony to the value of those services. During this time, Mr. Whiton kept himself fresh in the practice of the law, atending most of the Courts in the interior of the State, being acknowledged to be the first lawyer in that section.

In 1848 he was chosen a judge of the Supreme Court, which station he has held ever since. A portion of the time he has been Chief Justice. As Circuit Judge, his labors have been most severe, and he has neglected no study or research to give to every cause the fullest investigation and the the most impartial decision. He has the approbation of the entire bar in his Circuit. It is not derogatory to the other members of the Supreme Court, to say, that he had no superior there.

What has been the cause of this long continued popularity? It has not been owing to his manners, for, instead of being very social, he has been unusually retiring,—not to his wealth, for he has been poor,—not to his relations, for he has no kindred in the State,—not to his party, for he has been a member of that party which has uniformly been in the minority. The answer is to be found in his natural integrity—his strong common sense—his rare ability, & the sensitive conscienciousness with which he has discharged every public trust. He must be now about 43 years old, and his whole life, from childhood, having been devoted to the study and practice of law, and to the making and expounding of laws; and, possessing as he does, in an enviable degree, all those qualities peculiarly fitting a Judge, it is not strange he should be the People's first choice for Chief Justice.

Mr. Strong became a resident of Racine in 1836, and was elected to the Legislative council in 1838, for four years. Served four months in the winter of 1838 and 9, and resigned. During this session he was chosen one of the Commissioners to revise the Statutes. In 1842 he was again elected to the legislative council, and was chosen President thereof at the following session. In 1844 he was re-elected to the same place, and served during the two following sessions, discharging his duties with honor to himself and satisfaction to all. In 1846 he was elected both to the Council and the Convention to form a State Constitution. In 1845 he was elected to the Assembly, and while there served as Chairman of the Committee to revise the laws. Thus, he has been elected four times to the Legislative council, once to the Constitutional Convention, and once to the Assembly, making in all six legislative elections, which is believed to be twice as many as any other person in the state has received. In both revisions of the Statutes, since the organization of the Territory, he has been a very efficient, if not the principal, reviser. He has served the people for a long time with much credit to himself, and advantage to the public. Forgetting self, and having regard only to the general good, he has faithfully, honestly, and with much ability and tact, discharged every duty imposed upon him as a public servant. In habits, intellect and morals he is eminently fitted for the Bench. His habits are unexceptionable—his mind quick and active, strong enough to grapple with any subject, and capacious enough to comprehend it, both in itself and in its relations—powerful enough to test the validity of principles by the most severe process of reasoning—penetrating enough to detect and discard all falsehood and error, which are so often interwoven with truth, and covered up by the heavy panoply of argument.

On all occasions he is cool, dispassionate and collected, always possessing and exercising that force and clearness of conception—exact analysis—sharp, logical ability, and keen insight, that is so necessary to the investigation of legal truths.—These services and qualities, added to his legal researches and attainments—his instinctive aversion to all fraud and deceit, and his natural love for truth and justice, commend him to the suffrages of the people.

Of Mr. Knowlton we know less. He first settled at Janesville, in Rock county; from thence he removed to his present residence, Shullsburgh, in the county of Lafayette. He is one of those self-made men, of untiring energy and perseverance, who overcome all obstacles, and by his own industry and native talent, has gradually risen in his profession, until he now commands a very large share of the business in the Supreme Court of the State. He has many warm friends in the western part of the State, who presented him as the fittest man in that section. He is temperate in his habits,—unceasing in study and application to business—punctual in his pecuniary engagements—irreproachable in his private character—jealous to do well whatever he undertakes, and is one whom the people like to encourage in well-doing.

The Menomonee Purchase

This comprises a large tract of territory lying north of the Fox River, equal in extent, nearly to the State of Connecticut. It was ceded by the Menomonee Indians to the United States Government in 1848 according to the articles of that treaty, the tribe was to deliver up possession in July 1852, but the time has been extended still farther.

The impression has gone abroad, that this purchase comprised the poorest, and most unproductive portion of Wisconsin, hence emigrants destined for Wisconsin, have invariably shunned it, and located themselves, either in the Western portion of the State, or in Minnesota. The true statement of the facts in regard to this tract have never yet appeared. Instead of being the poorest portion of Wisconsin, it is directly the reverse. The soil is exceedingly productive. We have seen some as good fields of corn in Waupaca County, as we have in any portion of the State. We learned from several old corn-growing farmers that they had corn that would yield this season over fifty bushels to the acre. The face of the country from Waupaca to Berlin is rolling, covered with beautiful oak openings and an occasional tract of pine. It is filled with beautiful lakes—as clear as crystal, formed by springs, and filled with fish. In the northern part of this tract, are large and extensive pineries extending for miles beyond the head-waters of the Wolf.

These extensive pineries will open a lumber trade in a few years, that will be unparalleled by anything of a similar character, in the history of the west. The trees grow to a remarkable height, straight, free, and make white clear lumber, some of it has been taken to St. Louis market, and has been pronounced a superior quality. These pineries are destined to be an important item in the commerce of Wisconsin, as soon as an outlet can be made. The value of this tract is known only to those who have had occasion to visit it. Its future importance will be better understood when it becomes better known.

It is destined to become one of the most fertile and flourishing portions of the State. A large river navigable two hundred miles, extends up into its very heart. The untold wealth of her forests, the availibility of her water power, and the superior productiveness of her soil, must be inducements for capital and emigration.

The River and Harbor Bill.—In the Senate the two members from New Hampshire, and nineteen of their Loco Foco associates, voted against the River and Harbor bill. Gen Pierce approves these votes of the New Hampshire Senators. In the course of a speech which he made on the 23d of last January, he said:

> Appropriations by the Federal Government for the improvement of Rivers and Harbors was of a purely Federal character, and *repugnant to the principles and practices of the Democracy* of his State, and that Messrs. Hale and Tuck were *justly obnoxious to the charge of Federal sympathies for having supported such measures.* He pointedly affirmed that NO PERSON ELECTED TO CONGRESS AS A DEMOCRAT FROM THIS STATE HAD EVER SUPPORTED MEASURES FOR THESE PURPOSES. He put the question to the audience if this were not so, and paused for a reply which was given in the affirmative by some person near the speaker's stand.

Future appropriations will stand but a poor chance if *he* has the veto power.

Another Fall.—On Sunday morning the fine hickory pole, with the names of Pierce and King fluttering at its head, and which has been standing for a few weeks in front of Schweim's grocery on Beaubien street, in the sixth ward, after giving a few premonitory quiverings, stretched itself quietly in the mud. It is supposed it was tempted to this act of self-destruction, by the disgust which has been engendered throughout the city, at the further procrastination of that tremendous democratic rally which has been called four times, and would not come once.—*Detroit Advertiser.*

☞ In Marshall County, Tennessee, at the conclusion of a whig speech by Colonel Henry, a gentleman left the crowd, and addressed him thus: "Sir, I am a Democrat; I have always acted with that party. So have the men you see here with me; but from henceforth we go for Winfield Scott. We want you to go to Cornersville and make a speech to night, for there are ten or fifteen more just like us there." It is needless to say that he went. Marshall county will give a good account of herself in November.

City Matters.

Milwaukee and Mississippi Railroad. — A ride yesterday out to Palmyra, by the cars, and thence, in company with Mr. Cook, one of the contractors, to Whitewater, gave us personal assurance that the track is within three-fourths of a mile of the latter place. It will be in readiness for commencing business on that part of the line next week.

We are indebted to Mr. Cook for many attentions, not among the least of which is the information that there is near 17 miles graded beyond Whitewater, and 1000 tons of iron on the lake, between Buffalo and this city.

☞ We regret to notice in the Detroit *Advertiser* of Wednesday, the announcement of the death of Col. John M. McCarty, of Fairfax County, Virginia, in the 57th year of his age. It is but a fortnight or so, since the Colonel was in this city, in feeble health indeed, but not so ill as to excite the apprehensions of his friends. Col. McCarty was one of the original proprietors of Milwaukee and, at the time of his death, still owned a large interest here. He was a man of considerable talent and attractive social qualities.

Wisconsin Encampment.—We are requested to state that the Meetings of Wisconsin Encampment No. I, I. O. O. F. will hereafter be held on the 1st and 3rd Saturdays of each month, instead of Tuesdays, as heretofore. The Encampment will meet at Odd Fellows' Hall *to-night.*

☞ Mr. Freeman, who committed the robbery in Juneau, last week, and was traced to this city, it is believed, has been nabbed at Buffalo. He was telegraphed, and some one answering his description arrested as he stepped off the boat. The lightning is death on rogues.—*Free Dem.*

City Lots and Farms.—Mr. Rooney will sell at his Auction Rooms, 107 East Water street, *this* morning, a number of eligible City Lots, and an 80 acre Farm in Waukesha county. Terms made known at sale. Auction commences at 10 o'clock

☞ Such of our readers as want to replenish their wardrobes, will find something to interest them in Mr. Magie's advertisement. He has received and is opening a very extensive stock. Mr. Swain, who presides in the "Custom Department," is thorough master of his business.

That Pierce Pole.—Our Pierce friends make a third attempt to set up their pole this afternoon. As they have had some good Scott men at work upon it for a day or two past, we think they will succeed this time.

Musical Society.—We understand that the Musical Society will give a Concert next week, and have a grand one in preparation for the State Fair.

☞ Ex-Gov. Doty, the distinguished Representative from the Third District of this State, arrived in our City Thursday evening, and took lodgings at the American. He leaves for the North to-night.

☞ Mr. A. C. Ingham, the indefatigable Secretary of the State Agricultural Society, is in town, and has rooms at the U. S. Hotel.

For the Sentinel.

I was shown, this morning, a letter from the Hon. Charles Dunn, expressing a decided preference for the Independent Judicial ticket, and declaring his intention to give it a heart and hand support at the polls, on the 27th inst. He asserts that if the "regular" ticket had been equal to the former in point of ability and integrity, he, as chairman of the Convention which formed it, should have supported it; but esteeming it immeasurably inferior, he very justly and honorably holds, that political favoritism is an obligation less binding upon every true democrat, than that growing out of the high moral and social duty of sustaining the honor and purity of the Judiciary. Ex-Governor Dewey, also, and many other "fathers of the faith," entertain and avow similar sentiments.
DEMOCRAT.

We take the above communication from the last Monroe *Sentinel,* a democratic paper. There is no doubt of the fact stated by the writer in regard to Judge Dunn; and his example will be followed by hundreds of Democrats all over the State, who do not believe in making a man's political sentiments the sole test of his fitness for a high Judicial office.

Racine Advocate.—We are glad to announce the re-appearance of the Racine *Advocate,* an able and independent Democratic paper. The proprietors, Messrs. Bunner & Harrison, announce that they have made such arrangements as will enable them to continue its publication. The *Advocate* supports "Hale and Julian."

Gen. Cass—Geo. Witherell.

Mr. Medill—Your reference to the expulsion of Mr. Geo. Witherell from the Democratic *free* meeting, Friday, did not give all the facts. After Gen. Cass ceased to speak, Mr. Witherell asked in a becoming manner, if he might ask a question, to which no reply was made. He asked for permission a second time, amid cries of "go out," "sit down," &c., from Jabe Fitch and other *leaders* of the party here, when Gen. Cass enquired if he was a Democrat or Whig? To which Mr. W. replied, that he was a "Democrat, *dyed in the wool.*" Gen Cass said he would answer his question. Mr. W. then asked if he (Mr. C.) was acquainted with Mr. Pierce in Congress? Gen. Cass said, "yes—no—not much but he knew the man now." Mr. W. asked if Mr. Pierce did not vote against all appropriations for River and Harbor improvements? Gen. Cass admitted that he did, "but that he did so as the representation of New Hampshire, which State was opposed to that policy."

Mr. Witherell was satisfied without further remarks, and commenced backing and bowing himself out of the Hall, when he was assaulted by Coroner Schuh and other Democratic gentlemen, and hustled down stairs. No one would have blamed Mr. W., if, with his strong arm, he had trod his assailants under him, which he could have done with scarce an effort. But Mr. W. did not go there to fight, or make a fuss: he desired only to get an answer to a fair question. If Democratic policy was to benefit the laboring men, by aiding commerce, Mr. W. would still vote for Democratic candidates. If on the contrary, the policy of the party should continue to be what it had been, antagonistic to *all* the interests of the country, he would vote for such men as would think more of the prosperity of the country, than they did for British gold and the spoils of office.

Gen. Cass was placed in an unpleasant position by the question; however, and the ruffians in the Hall thought they could relieve him, by making a little more "noise and confusion." But he was not relieved, and many enquiring Democratic minds were not satisfied, as the coming elections will demonstrate to the sorrow of that party. The brutal treatment received by Mr. Witherell, shows the respect the "shamocracy" have for an honest mechanic.—*Forest City* Sept. 15th. S.

From the Buffalo Commercial Advertiser.

To the Gallant Old Soldiers of 1812, and the Brave Fellows who Served in Mexico: Attention!

Soldiers! Have you forgotten the bloody field of Lundy's Lane, where bayonet crossed bayonet, steel clashed with steel, amid the rattle of musketry and the roar of cannon and of many waters?

Soldiers! Have you forgotten the plains of Chippewa, where you met and drove from the field, the veterans of Wellington?

Soldiers! Have you forgotten the Heights of Queenstown, where you washed out, in your own and the blood of your enemies, the disgrace cast upon the American name and American arms by the surrender of Hull?

Soldiers! Have you forgotten Vera Cruz, Cerro Gordo, Contreras, Churubusco, Chapultepec, Molino del Rey, and Mexico?

Soldiers! Have you forgotten you victorious march from Vera Cruz to the city of the Montezumas, one of the most splendid in the annals of military operations, and which excited the astonishment and won the plaudits of all Europe?

Soldiers! Have you forgotten the feeling of *pride* with which you followed the victorious banners of your country, the glorious stars and stripes as they were borne onward and onward in pursuit of a retreating foe?

Soldiers! Have you forgotten with what *confidence* you marched wherever you saw wave the tall plume of your gallant old commander-in-chief leading you on?

Soldiers! Have you forgotten that when *he* pointed out the enemy and told you when, where, and how to attack and conquer, you felt that you had only to obey his commands and victory would, as it ever did, perch upon your standards?

Fellow Soldiers and Fellow Veterans!—Have you forgot all this? No: To the latest moment of your lives you will not, you *cannot* forget it: forget not then, our brave old commander, the noble SCOTT, who has so often led us to victory, but *never* to *defeat.*

Let us once more rally around him as we have heretofore, where the fire was the hottest. His enemies were then our enemies, let them be so still: he never waited for a call from us, let us now volunteer to stand by him and see him through the fight. "Up Guards, and at them!"

THE BRITISH ALLIES.

Tune—*All on Hobbies, or Rory O'More.*

Ye hard fisted workies, attend while I sing,
Of England's two *Allies,* Frank Pierce and Bill King;
John Bull and these worthies a deep plot have laid,
To reduce working men to a morsel of bread.

That Pierce is John's ally, London prints say is true;
'Tis a fact should the Lokies deny till all's blue:
When in Congress he voted the Tariff a farce—
South Carolina's right hand is this wondrous Frank Pierce.

Starve the Yankees 'tis maxim, and build up John Bull;
Down with Iron and Cotton, and a fig for our wool—
Little Vic and her satellites chuckle and laugh,
While they take all the *grain* and give Yankees the *chaff*

Why did Pierce vote against the Lake Harbor bill,
And give to the seaboard a law to their will?
To benefit Johny and help on Free Trade,
Our rivers and lakes must a desert be made.

But his falling and fainting, I don't say they're true,
But this is enough, both for me and for you:
He's John Bull's firm Ally—get that sentence by rote,
And when you've done that, you can't give him your vote.

Winfield Scott, Bully hates, for he's true Yankee stuff,
And he's good reason for't; he has thrashed him enough—
Pierce *plays* in his *pocket:* Scott on to his *crown;*
So we'll *crack* Winfield *up,* as he *cracked* Johnny *down.*

When he was called *Winfield,* Fate smiled at the name,
And in his book of Heroes recorded the same;
For, says Fate, 'tis decreed, and the Edict is sealed,
That in *War* or in *Peace* he shall *Win every Field.*

Galena, Sept. 11, 1852.—The contracts for the improvement of the Levee from the lower end of Peck's Building to Franklin street have been taken, and the work commenced in good earnest. The wall of the lower levee is to be extended up the river 300 feet, and a pavement sloping from Water street to the bed of the river, is to cover the remainder of the distance to Franklin street.
Lead—Is falling; $4 is the ruling rate.
Mineral—No change; $25 $25 50 at the mines; $26 delivered. Little is raised in consequence of high water in the shafts, which is said to be much higher than it was last season, when the country was inundated. The cause of high water this time is worthy of scientific investigation.
Barley—Is declining. We quote at 25a27c. The freight on a bushel of barley to St. Louis is 15c, which is the tax imposed by the policy which has refused to improve western rivers. Let the Farmer remember this at the polls.

Passengers and Mail	$64,422 79
Freight	27,915 07

Counterfeit Gold Coin.—We were yesterday shown two spurious American gold coins, an eagle and a half eagle, which were exceedingly well executed, and very apt to deceive the best judges. They were both taken at one of our city banks, and a jeweler, who has since examined them, found them thickly coated with the precious metal—so thickly, indeed, that it was necessary to cut deep into the coin to find the base component. The general appearance, weight and size of these coins is nearly an exact imitation of the genuine pieces, and the nicest scrutiny, without scales, is unable to detect them.—[Pittsburgh Gazette.

WORTHY OF ALL CONFIDENCE.

Dr. Stern's Celebrated Scotch Cough Candy.—No medicine ever invented has gained more popularity than this, nor is there any more deserving of it. There are so few compounds worthy the high merit claimed for them, that when one which is really destined to benefit the afflicted is put forth, we are slow to believe our most intimate friends, when they praise it. But Stern's Scotch Cough Candy is sold at a price so low, it must be evident to all that if it did not sustain a good reputation, enough would not be sold to pay for advertising. Almost every person that uses this article according to direction will feel justified in recommending it to others, it needs but a small outlay of money and time to satisfy the most sceptical that it is worthy of all confidence as a remedy in diseases of the Chest and Lungs.

Price, One Dime per Roll; 3 Rolls for 25 Cents; or $1 per Doz.

A handsome engraving of the Scottish Coat of Arms, and the written signature of Hamilton Wade, (proprietor,) is on the outside wrapper of each roll or package.

☞ Hundreds of our citizens complain of debility and languor of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all so afflicted Go as we have done—get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and, our word for it, you will be cured. We recommend this medicine knowing from experience that it is much superior to the generality of patent medicines. We would say to our readers, purchase none unless prepared by Dr. C. M. Jackson, Philadelphia.

Loss of the Propeller Jas Wood.

The propeller Jas. Wood, Capt. JOHNSON, from Detroit, with a cargo of 8500 bushels wheat consigned to O. & S. E. Vessel insured for $8000, in the Northwestern of Oswego and the Milwaukee Mutual. Cargo insured in a Detroit Company.—*Buffalo Express.*

This is an error as to the "Milwaukee Mutual." We are assured that this Company had no risk on the *James Wood.*

Rail Road Accident.

Buffalo, Sept. 16.

A frightful accident occurred yesterday on the New York and Erie Railroad, Western division, by which 9 persons, including breakman, were killed, and some 15 or 20 more injured. Three bodies were brought to this city this morning by the State Line Railroad.

The receipts thus far amount to $10,000. The exhibition of horses, which took place to-day, was very spirited. The competitors were mostly of the Eclipse and Morgan stock. Cattle are the best feature of the Fair. Almost every county in the State sends its contribution. The largest specimen weighs 6,300 pounds.

Prof. Mapes of New Jersey, will deliver the Annual Address at 3 P. M. to day, in place of Mr. Webster.

Not a single accident has thus far occurred.

Baltimore, Sept. 16.

Gen. Scott left here this A. M. for the west via Harrisburg. He will consent to no public reception on his route.

New York, Sept. 14.

The Whigs held their primary elections this morning for delegates to the Whig State Convention.

CONGRESSIONAL CONVENTION.—We are gratified to be enabled to announce to our friends that the Whigs of the 2nd Congressional district, who met in this village on the 1st inst., made choice of CHAUNCY ABBOTT, of Madison, as the candidate to be supported by the Whigs of this District as Representative in Congress. Mr. Abbott is well known throughout the District and State, to be a man well qualified to discharge the high and responsible duties of this honorable station. Possessing a character unexceptionable and entirely above reproach, his well known abilities and untiring perseverence in promoting the interests of the West and the whole country cannot fail to secure him the united support of the Whig party, and if we mistake not, will enable him to draw largely upon the votes of those of the Democratic party who desire to be represented in the Councils of the Nation by an honest, industrious and capable man.

Whigs of the 2nd Congressional District, your delegates to the Convention have done well in submitting the name of Mr. Abbott for your suffrage, and it now remains for you to sustain and support him. Elect him and you will secure the services of a man of whom you may well be proud.

The Convention in the further discharge of trust confided to them, nominated Charls Bracken, of La Fayette county, for Presidential Elector.—Mr. Bracken is one of the oldest settlers of Western Wisconsin, and well known throughout the State—a man wellacquainted with the Whig candidate for President of the United States, and a man whose chief delight would be to cast the electoral vote of Wisconsin, for Scott and Graham. Shall he do it? Whigs of Wisconsin, to you this question is put. Let your answer at the Ballot-box in November, be an undivided YES, and Wisconsin will have the satisfaction of contributing her aid in placing in the Presidential chair one of the greatest men of the age.—*Mineral Point Tribune.*

VERMONT ELECTION.—We have received an extra from the office of the Montpelier *Watchman & Journal,* containing returns from 181 towns out of the 230 of which the State is composed. The Whig candidate for Governor is already over 7000 ahead of his democratic competitor, and the Whigs have gained 2 members of the Senate, and 8 in the House over last year. Their majority on joint ballot will be between forty and fifty.

A REAL ACQUISITION.—At a Scott pole raising at West Dayton, Patrick Kelly Esq. being called out by the people, made an address, in which he avowed his intention to support Scott and Graham. Mr. Kelly, in 1849, was the Democratic candidate in this district for representative. He is a fluent and efficient speaker, and will do good service for Scott, if he will "take the stump."

Drug Ware House!

S. JOHNSON, JR.,

No. 151, East Water St., Milwaukee, Wis.

THE SUBSCRIBER has now on hand, and is constantly receiving his supplies, selected by himself from the stocks of the largest Importing, Manufacturing and Commission Houses in New York, Boston, Philadelphia and the Southern Market.

His arrangements are so perfected for purchasing, as to defy competition; and it will at all times give him pleasure to exhibit

THE QUALITY AND VARIETY OF HIS STOCK,

And by giving his prices, convince dealers of the truth of the assertion.

The Wholesale Department OF HIS ESTABLISHMENT

Has been very much enlarged the present season, to enable him the better to attend the increasing demand in this branch of business.

CITY & COUNTRY CUSTOMERS

Will find at all seasons of the year, a more general assortment of Goods than can be found at any similar establishment in the West.

S. Johnson, Jr. would particularly call attention to a few of the leading articles of his trade:

LAMP OILS.

Consisting of Pure Winter Sperm Oil, Pure Summer Sperm Oil, Refined Whale Oil, Neats Foot Oil, Solar Sperm Oil, Lard Oil, Elephant Oil, Tanner and Currier's Oil.

Having purchased the above direct of the manufacturer, and in large quantities, he is enabled to sell at prices much below the ordinary market rates.

Paints, Oils, and Dye Stuffs.

WINDOW GLASS.

This we make a heavy article of our business, keeping at all times a large stock, and selling at very low prices. Our assortment comprises all sizes, from 7x9 to 36x44, French, English and American Glass, of single and double thickness.

GLASS-WARE.

We sell on commission at manufacturer's prices, consisting of Physicians and Druggists ware, Bottles, Vials, Flasks, &c., &c., in cases of all sizes, to suit purchasers.

WINES AND LIQUORS.

Direct from the Importer, purchased expressly for medicinal purposes. Invalids may rely upon the purity, quality, and age of the above.

S. JOHNSON, Jr. has in store the heaviest stock of Drugs and Medicines west of Buffalo, which he is

DETERMINED TO REDUCE

During the present year, and for that purpose he offers inducements to purchasers that cannot fail to command attention.

Having been appointed agent for the sale of Gouraud's Surgical Instruments, he will have on hand, at all times, a full supply, which will be sold to Physicians and Dealers at New York prices.

S. JOHNSON, Jr. will act as agent for the sale of all reputable Medicines in the City of Milwaukee, for the usual rates of commission. my4

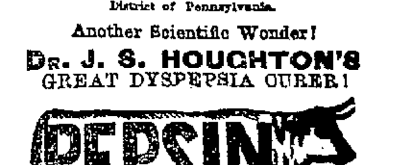
PATENT MEDICINES.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

DR. J. S. HOUGHTON'S GREAT DYSPEPSIA CURER!



THE TRUE

DIGESTIVE FLUID,

OR

GASTRIC JUICE

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

☞ Half a teaspoonful of PEPSIN, infused in water will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

PEPSIN is the chief element, or Great Digestive Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE.

Baron Liebig in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject.—His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals, are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

Dr. John W. Draper, Professor of Chemistry, in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Dr. Carpenter's standard work on Physiology, which is in the library of every Physician, and is used as a Text-Book in all the Colleges, is full of evidence similar to the above, respecting the remarkable Digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the calf or ox, and used for experiments in Artificial Digestion, or as a remedy for disease of the Stomach, and deficient secretion of Gastric Juice.

All modern works on Chemistry, Materia Medica, and Physiology, and all good Medical Dictionaries, describe the character and properties of PEPSIN, and state many interesting details respecting it.

The fact that an Artificial Digestive Fluid, or Gastric Juice, perfectly resembling the natural fluid, may be readily prepared, does not admit of question. The only wonder is, that it has not before been applied to the cure of Indigestion and Dyspepsia—so naturally does such a use suggest itself to the mind.

AS A DYSPEPSIA CURER,

Dr. HOUGHTON'S PEPSIN has produced the most marvelous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in case of Nausea, Vomiting, Cramps, Soreness of the pit of the stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. Houghton's PEPSIN is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy no objection can be raised against its use by Physicians in respectable standing and regular practice. Price One Dollar per bottle.

☞ Observe this.—Every bottle of the genuine PEPSIN bears the written signature of J. S. Houghton, M. D., sole proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

☞ Sold by all Druggists and Dealers in Medicine.

CHERRY PECTORAL

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

MANY years of trial, instead of impairing the public confidence of this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the CHERRY PECTORAL does not only as a general thing, but almost invariably, cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American peasant, to the palaces of European Kings. Throughout this entire country, in every State, city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best remedy extant for diseases of the Throat and Lungs, and in many foreign countries it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, CHERRY PECTORAL is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant, and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The CHERRY PECTORAL is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and efficient, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

Spherical Disinfecting Fluid,

FOR purifying the air of sleeping and sick rooms, cabins and holds of ships, particularly for passenger ships, at sea or in port, prisons, jails, crowded rooms in general, from offensive, close and infectious air of all kinds, including the infectious spheres of cholera, ship, typhus, yellow, bilious, scarlet and other fevers of our own or Southern and Western climates, in cities and towns, on land and water. Also, for disinfecting the bodies, clothes, and trunks of persons who are in or have been in the atmosphere of infectious diseases.

This fluid is healthy to breathe or take internally, and instead of filling the room with a choking, irrespirable air, as the chloride of lime and other chemical preparations in use do, it makes the whole air sweet and salubrious, and at the same time strengthens the respiration and enlivens the spirits of those present, by its balmy, fragrant and tonic influence.

IMPORTANT TO THE PUBLIC!

THE following advertisement was published in May, 1849, in the "Boston Daily Times," and various other newspapers in the United States, by James G. Wilson, Esq., the owner of the "Woodworth Patent," shortly after I had advertised my "PATENT STATIONARY CUTTER, PLANING, TONGUEING, AND GROOVING MACHINE," throughout the United States:

"PLANING MACHINES.

"I take this method of answering the frequent inquiries, by letter and otherwise, as to my opinion upon the various notices through the papers, of the Stationary Knife Planing Machines attempted to be palmed off upon several persons ignorant of their true worth. I would state for the information of the enquirers that they will find substantially the machine now offered by several pretending inventors, described in the 10th volume of the Repertory of Arts, invented by Samuel Bentham, in the year 1791. A like machine was patented in this country by one Kugler, some sixteen years since, and another one put up by Albert Richards, of West Troy, N. Y., and abandoned about the same time. It ought to satisfy the public to know that after fifty eight years experimenting upon these machines, not one in use is of any value for the purposes contemplated.

I will furnish a Stationary Knife Machine equal to any now in use, or to any offered by the pretending inventors, at the cost of the machine and five per cent for my trouble.

JAMES G. WILSON,
May 15, 1849. Philadelphia."

I deny that any person ever saw or heard of such a machine as mine until I invented the same. Said machine was operated in the month of August, 1848, and no machine before this could do so much work, and do it as well as mine. In reply to the above advertisement, and in order that the public may be assured that I mean what I say, I will offer to pledge ONE THOUSAND DOLLARS against an equal amount from said Wilson, that ONE of my machines will plane, or plane, tongue and groove with less power, as much lumber in the same time, and do it as well, or better than TWO of the "Woodworth" machines. The trial to be made at my Steam Mill, Border St., East Boston, Mass., or at such other place as may be convenient for such a trial.

August 20, 1851-dly East Boston, Mass.

THE WORLD'S FAIR

PREMIUM SAFES.

DEPOT,

Green Block, Water St.,

(Between Maiden Lane and Wall Street,)

NEW YORK.

THE SUBSCRIBER PLACED HIS FIRE AND BURGLAR-Proof Iron Safe in competition with the whole world at the great Exhibition in London, for which an impartial jury awarded a medal.

The American Fair, held last fall at Castle Garden, also awarded to him a gold medal for the best Fire-Proof Safe, and he has never failed to obtain the highest premium when his Safe has been put in competition with others for that purpose. Certificates have been received from the following well-known mercantile houses, who have had their books, papers and money preserved in these superior Safes within the last thirty days, (and can, with many others, be seen at my store,) viz. Messrs. Stillwell & Montross, and Mr. J. L. Watkins, in the Fulton Street fire; Messrs. Fisher & Robinson, and Messrs. John Lockwood & Co., in the great fire corner of Liberty and Nassau Streets, and Messrs. Proud & Bowman, in Jersey City.

I am the proprietor of HALL'S PATENT LOCK, which obtained a medal (in the name of Adams & Co., Boston,) at the World's Exhibition, and is considered the best Lock for the price, ever invented, being proof against powder, and the Key is no larger than a cent, and can be made changeable.

I invite all purchasers to a close and careful investigation before purchasing, and decide for themselves, who makes the best Fire, Burglar and Damp-Proof Safes combined.

HAWKINS'

STAVE DRESSING MACHINE.

PATENTED JULY 22, 1851.

THIS machine is now in successful operation at the shop of Wm. Hawkins in this city, and will dress Staves for

Packing, Flour and Whiskey BARRELS,

and PIPES or HOGSHEADS, at the rate of

600 Whiskey or 800 Flour Barrel Staves PER HOUR,

straight, winding or crooked. In fact, any stave that can be worked by hand will be dressed by this machine, either for tight or slack work, from 22 inches to 72 inches in length of any reasonable width, and *to any requisite bilge*, and in the most perfect manner. The stave passes through the machine a single time, is dressed by rotary cutters and is them ready for the truss hoops. The dressing of the sides and jointing of the edge of the stave is performed perfectly. The machine is made of iron, is strong and durable, and is not difficult to keep in good order for use. Six horse power is sufficient to drive the machine with all the speed necessary.

The Subscribers having purchased of Wm. Hawkins the patent right for the United States are prepared to sell rights for States, Counties, or for running single machines and to furnish and set up the machines, warranted to perform perfectly. In the great saving of expense of transportation of dressed over the rough stave, the rapidity and perfect manner with which it performs its work, consists the value of this machine.

Satisfactory testimonials can be furnished if desired.

RADWAY'S READY RELIEF,

Is the first and only remedy ever recorded in the Medical History of the World that has stopped the most violent pains in a few seconds.

IT WILL STOP

THE MOST SEVERE PAINS

IN A FEW MINUTES, AND CURE THE MOST OBSTINATE AND TORMENTING RHEUMATIC, NEURALGIC AND NERVOUS COMPLAINTS

IN A FEW HOURS,

INTERNAL AND EXTERNAL.

IT WILL STOP

THE MOST EXCRUCIATING PAINS,

IN FROM THREE TO FIVE MINUTES!

AND HAS CURED

Rheumatism	In Four Hours.
Neuralgia	In One Hour.
Croup	In Ten Minutes.
Diarrhea	In Fifteen Minutes.
Toothache	In One Second.
Spasm	In Five Minutes.
Cramps	In Five Minutes.
Sick Head Ache	In Fifteen Minutes.
Chill Fever	In Fifteen Minutes.
Chilblains	In Five Minutes.
Sore Throat	In Four Hours.
Influenza	In One Hour.

SPINAL COMPLAINTS, STIFF JOINTS, STRAINS, BRUISES, CUTS, WOUNDS, FROST BITES, CHOLERA MORBUS, DYSENTERY, TIC DOLOREUX, and all other complaints where there is severe pains, RADWAY'S READY RELIEF will instantly stop pain, and quickly cure the disease.

THE HUMAN FRAME

Is the most perfect masterpiece of mechanism in the universe. Every artery, muscle, ligament and bone, exhibits in its formation the wisdom of the Deity. Every Joint and sinew works harmoniously with each other, and upon the natural performance of every function depends the healthful action of the whole.

PAIN

Disorganizes the whole system, it prostrate the nerves, it relaxes the muscles, it weakens the joints, it interferes with the functions of every organ, it checks the free and healthy circulation of the blood, it paralizes the absorbents, and renders them unable to take up and replete the wasted form with sound material. From the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Joints, the Elbows, the Teeth, the Gums, or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system.—Not a nerve or a muscle escapes its prostrating influence.

INSTANT RELIEF FROM PAIN

Is the great desideratum of every individual who suffers its tortures, no matter how light or severe its paroxysms may be. No one can feel happy while suffering its torments.

RADWAY'S READY RELIEF

In a few seconds

WILL STOP THE MOST DISTRESSING PAINS.

Its effects are like electricity; it arrests the most distressing pains in a few seconds, its soothing, neutralizing and healthful influences thrill through every minute cell, membrane, and establishes the secretion of every gland in the system, subduing the most excruciating paroxysm of pain, and imparting strength and vitality to every organ.

NEURALGIA.

PAIN STOPPED INSTANTLY.

Radway's Ready Relief possesses an almost miraculous influence over the sharp darting pangs of pain of this cruel complaint. In a few minutes the pain-stricken sufferer experiences the delightful sensations of departing pain. It has cured thousands of cases in the city of New York, where many of them had been brought almost to death's door. The effects of the Ready Relief is to stop the pain immediately, to strengthen the nervous system, and supply the nerves with nervous energy and vitality, the loss of which is the chief cause of nervous pains.

DANGEROUS PRACTICE.

The use of Morphine, Strychnine, Aconitine, Belledonna Arnica, and other poisons are not only dangerous but cruel. The effect of these poisons is not to cure the disease, or to remove from the system the pains, *but to deaden the nerves, to weaken and stop the nervous energy, to paralyze the functions of the nervous system, and to destroy sensation.*

If this practice is continued for any length of time, the patient will not only waste away, but the brain will become paralyzed, and the intellect destroyed.

RADWAY'S READY RELIEF

IS FREE FROM MORPHINE,

And all other dangerous and narcotic influence. To the weak and paralyzed nervous system it imparts life instead of death, and the pain is stopped by the healthy influence which Radway's Ready Relief imparts to the nerves, instead of the lifeless, sleepy and paralyzing effect which Morphine, and all other preparations containing this poison, produces on the system.

SICK HEADACHE.

Radway's Ready Relief will stop the most distressing pains in a few minutes, and prevent renewed attacks. It will cleanse and sweeten the stomach, and neutralize the poisonous acids of the system.

ALL BOWEL COMPLAINTS,

Diarrhœa, Dysentery,
Bloody Flux, Cholera Morbus,
Painful Discharges,

It relieves the most severe pains in a few minutes—checks the most distressing discharges, and

SPEEDILY REMOVES THE CAUSE.

RHEUMATISM.

PAINS RELIEVED IN FIVE MINUTES.

Radway's Ready Relief will stop the severe and excruciating pains of Rheumatism almost instantly. Persons are living in this city who, for months, were confined to their beds by Rheumatic pains, whose bones were unsound from top to toe, whose joints were distorted with painful swellings, that were relieved from all pain in 15 minutes by the use of Radway's Ready Relief. This is truth, and thousands in the city of New York, and hundreds of thousands in the United States, can answer for the truth of this assertion—we need no certificates of Cures—we publish no long list of names to prove the efficacy of Radway's Ready Relief, for the Citizens of almost every town in the Union, for the last four years, have tested it for themselves.

CHILL FEVER.

CHILLS STOPPED IN A FEW MINUTES—PAIN RELIEVED INSTANTLY.

Radway's Ready Relief acts like a charm in all cases of Chills and Fever. It breaks the chills immediately—warms up and invigorates with health and strength every organ and secretion of the system.

PAINS OF ALL KINDS.

Whenever you feel pain, apply Radway's Ready Relief—it is sure to relieve you in a few minutes. If you have pains in the Stomach, Intestines, in the Liver, Kidney's, Bowels, Joints, Bones, Radway's Ready Relief, taken either internally or applied externally, will in a few minutes stop pain and quickly remove its cause.

BEAUTY.

Complexion richly tinted with the bloom of health,
With skin as pure and fair as Parian marble,—
Soft and sweet as the fragrant rose—
Teeth as sound and white as alabaster,
Breath of sweetest fragrance, and lips of coral tint,
With flowing ringlets and glossy locks,
Luxuriant tresses dancing gracefully o'er the swan like neck
No dark repulsive spots to mar the pleasing picture,
Or to cast dull shadows o'er beauty's master piece.

RADWAY'S MEDICATED SOAP.

Composed of the most delicious, rare and fragrant gums,
Of extracts, oils, and costly essences—
Of flowers, roots, trees, and oriental plants,
Possessing wondrous virtues o'er skin diseases.

TO THE COMPLEXION IT IMPARTS BEAUTY.

By cleansing the skin from all eruptive matter,
Makes clean the pores, gives action to the capillaries,
By which all poisonous humors are ejected,—
And a healthy action to the skin restored,
To the teeth it gives whiteness and prevents decay,
It makes the skin soft, sweet and smooth,
Transforms the most repulsive and disfigured visage,—
To a clear and beautiful complexion.

RADWAY'S CIRCASSIAN BALM.

Imparts nutriment to the hair,—
Makes it strong, glossy, rich and luxuriant,
Cleanses the scalp from dandruff,—gives action to the bulbs,
Fastens the hair upon the scalp, and forces it to grow—
Like guano to a barren soil, it makes it rich and productive,—
To dress the hair, make it smooth and glossy,—
Strong and beautiful, &c.

Radway's Circassian Balm is the "ne plus ultra."

DR. HOOFLAND'S CELEBRATED GERMAN

BITTERS,

Prepared by Doct. C. M. Jackson,

AT THE GERMAN MEDICINE STORE,

120 Arch-st., Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

READ AND BE CONVINCED.

[From the Boston Bee.]

The Editor said, Dec. 31: "Dr. Hoofland's celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

SCOTT'S WEEKLY.

One of the best literary papers published, said, August 25
"DR. HOOFLAND'S GERMAN BITTERS, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitution will find these Bitters advantageous to health, as we know from experience the salutary effect they have upon weak systems."

The Daily Sun says:—"It is one of the best medicines of the age for Jaundice and Liver Complaint."

Neal's Gazette says:—"Dr. Hoofland's German Bitters we know to be an excellent article, fulfilling in every respect what is claimed for it by the advertiser."

The Evening Bulletin says:—"The celebrated German Bitters are said to be an invaluable remedy for Jaundice, Dyspepsia, and Nervous Complaints."

The Daily News, July 24, says:—"A Medicine.—We speak knowingly of Dr. Hoffand's celebrated German Bitters, when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal. It is a vegetable preparation, and made without alcohol, and to all invalids we should recommend it as worthy of their confidence."

The Dispatch says:—"As a medicine for Liver Complaint, Jaundice, Nervous Debility, and Dyspepsia, it has been found invaluable, effecting cures, and thoroughly eradicating disease, when all other medicines have failed."

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all billious diseases—the effect is immediate. They can be administered to Females or Infants with safety and reliable benefit, at any time.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

Opinion of the most prominent Druggists and Merchants of Cincinnati in its favor.

CINCINNATI, Oct. 26, 1849.

We the undersigned, Druggists and Merchants of this city, have been acquainted with and sold for 2 or 3 years past, an article of Family Medicine, known as PERRY DAVIS' VEGETABLE PAIN KILLER, and we would assure the public that in every instance, so far as we know, it has given the best satisfaction to the purchaser. We can recommend it to the public as an article of **Great Merit and Virtue**: indeed, we never knew an article of Medicine become so deservedly popular in so short a time, which is proved by the fact of its extensive sale, and constantly increasing demand.

A Word of Caution to the Public!

Dealers in Pain Killer are cautioned against buying or selling a spurious article of Pain Killer, manufactured by White & Co, of Buffalo, which is a worthless imitation and the pamphlets a "base forgery" which will appear by comparing them with the Genuine. "The certificates are copied verbatim." The proprietor of the Genuine Perry Davis' Pain Killer will prosecute any person, engaged in selling this spurious article, and is determined to protect himself and the public from this "infamous fraud." Many unprincipled persons, to deceive the public, and for the sake of gain, have applied the name Pain Killer or something similar to their own compounds such as Pain Destroyer, Pain Killing Compound, a real Pain Killer, &c. &c. all of which have been got up on the reputation of Perry Davis' Pain Killer. The public are cautioned against these mixtures.
